

Laser Technology, Inc.

Core Values

At Laser Technology, Inc. we are accountable for:

Our Customers – We are a customer centric organization, without our customers there would not be a LTI. We make it easy for them to do business with us by keeping our operations simple and straight forward. We are dedicated to offering our customers the most innovative technology at a fair price.

Our Employees – We treat each other in the same manner as we would like to be treated ourselves. We embrace change and positive criticism and are open to new ideas and better ways of doing business. We treat fellow team members with courtesy, equality, and respect. We support a balanced lifestyle both professionally and personally.

Working with Integrity – We never compromise our values. We operate with integrity, supporting candid two way communication. We approach every day with a passion for honesty and innovation.

Striving to be the Best – We strive for excellence to make our products even better than our customers expect. We take pride in our organization and in our products. Team success is our top priority and each individual does whatever is necessary to insure we achieve our goals.

Being Fiscally Responsible – We deliver on our promises. We set our goals high because we know we can do great things. Our continued success is measured by the results we produce in customer satisfaction, sales, profitability, and the opportunities we provide for our employees.
