

LTI 20/20 TRUSPEED® LASER SERIES

The essential laser for long-range speed detection, anti-jam technology and data collection.

The LTI 20/20 TruSpeed has an ergonomic pistol grip handle, a removable shoulder stock for increased aiming stability and the accuracy you expect from an LTI laser.

Key Benefits

- Large icon keypad for easy operation with gloves
- Adjust the brightness level on the heads-up display for maximum visibility
- Enhanced aiming stability with the removable shoulder rest
- One-button weather mode and easy menu options

TruSpeed Models
