

I AM FORESTRY

If there is new technology that will make my job easier and more efficient, then I'm all about it. I learn best when I have hands-on experience with new tools.

We hear you. Please join us for a Lunch & Learn Tech Session near you.

Who: Laser Technology, Inc., and Frontier Precision Inc.

What: How-to tips and outdoor hands-on experience

When: June 4, 2013, from 10:30 a.m. to 1 p.m.

Where: Gander Mountain
10470 Hudson Rd., Woodbury, MN 55129

- Why:**
- Learn the latest in laser measurement and mobile mapping technology
 - Discover how to integrate lasers with software solutions
 - Free lunch with chances to win door prizes

How: Register by completing the form below
